Subject :		FAMOUS ELECTRICAL EQUIPMENT REPAIRING – LETTER OF APPRECIATION	
Copy to:		Date :	11/JULY /2010
		Our Ref :	JS/LET/201007028

Dear Sir,

We appreciate M/s Famous Electrical Equipment Repairing as one of the most cooperative, efficient and hardworking AHUS assembly sub-contractors for UTS CARRIER LLC since 2004, to till date. Please note M/s Famous has been promptly providing their efficient services when officially instructed to do so for UTS CARRIER LLC in the following :

1. HVAC air side products like re-circulating air handling units, fresh air handling units, fan coil units installations and repairing including the Heat Recovery Wheels & Heat Pipes installations/assemblies as per the approved certified drawings.
2. Troubleshooting site problems of water carryovers, over-current, pulleys changing, drain pipe height proper sizing, gasketting, repairing leaks, changing springs under the fan & motor assemblies with suitable sizes, changing handing connections, reducing the heights of the penta-posts to accommodate in the available space etc.
3. Motors rewinding for different sizes of motors ranging from 0.25 KW to 50 KW using proper tools and expertise meeting closely the original requirements.
4. Fabrication & Installation on site of the hail guards for air cooled chillers etc.
5. Rust removing and repainting of the insides and outsides of the installed air handling units.
6. Site supervision and installation trouble-shootings for air handling units and fan coil units both chilled water and DX type.
7. Installation of Ultra Violet anti-bacterial light inside AHUS & FCUS.

This letter is issued to M/s Famous in appreciation of their cooperation and without any monetary (or) any sorts of binding whatsoever.

For any clarification required on the above, please do not hesitate to call me anytime

Yours faithfully,
For UTS Carrier L.L.C

Syed Salman
